**Notice of Discontinuance of Permissive Detariffing of  
Wireline Broadband Internet Access Transmission Service  
Effective July 1, 2011**

**CC Docket No. 02-33**

May 2, 2011

Darien Telephone Company ("Company") hereby provides notice that it plans to terminate provision of wireline broadband Internet access service ("WBIAS") on a tariffed basis effective July 1, 2011 at which time it plans to offer permissive detariffed WBIAS on a Title II common-carriage basis pursuant to paragraph 94 of the Federal Communications Commission's *Wireline Broadband Order*.<sup>1</sup> The Company currently offers WBIAS through Asymmetrical Digital Subscriber Line ("ADSL") Access Service under NECA Tariff F.C.C. No. 5, for which the Company is an issuing carrier.

The Company has requested of NECA that it remove the Company as a carrier listed in NECA Tariff F.C.C. No. 5 as a provider of ADSL Access Services (hereafter "WBIAS") under the tariff effective July 1, 2011.

**Impact on Customers**

The only customer for the Company's WBIAS is the nonregulated Internet Service Provider ("ISP") operation of the Company. The nonregulated operation of the Company purchases WBIAS for use as a component in its broadband Internet service sold to consumers and business customers. The discontinuance of the tariffed offering of WBIAS will have no effect on the end user service provided by Company.

**Future Availability of WBIAS on a Permissive-Detariffed Common Carriage Basis**

The Company will continue to make WBIAS available, including the related ATM-CRS Multi-Media service, on a common-carriage basis through posting of rates, terms and conditions on its Internet web-site in a manner similar to that required for interstate and international interexchange services under Section 42.10 of the FCC's rules (47 C.F.R. § 42.10). The initial rates will be those offered under tariff. Any change in rates, terms and conditions will be made on fifteen-day advance notice to customers and shall apply to both the affiliates and non-affiliates on a non-discriminatory basis. Cost allocations related to WBIAS will continue to be handled as under the *status quo*.

Following is the timeline for permissive detariffing.
